

GREATER
TACOMA
CONVENTION
CENTER

A walkable downtown destination with a thriving arts and culture scene, Tacoma offers a metropolitan setting surrounded by natural Northwest beauty.

THE **GREATER** WAY FORWARD

A GREATER WAY FORWARD

Our commitment to the health and safety of our employees, partners, clients, exhibitors, and attendees remains our top priority. We have created customized capacity floor plans that address occupancy limits to fit your needs and a flexible booking policy to allow peace of mind when scheduling your next event.

Cleaning & Sanitation

Global Biorisk Advisory Council (GBAC) Star Accreditation. GBAC Star Certification is the cleaning industry's only outbreak prevention, response and recovery accreditation for facilities. Additional cleaning and sanitation enhancements include HVAC upgrades to improve indoor air quality with BiPolar ionization units, electrostatic sprayers to thoroughly disinfect between meetings, and UVC cleaning technology added to escalators. Frequent cleaning and sanitation of high touch and high traffic areas will occur during events.

Physical Distancing

Physical distancing protocols are established, including working with clients on adapted seating arrangements in meeting spaces. Event managers will work with you on modified floor plans.

Guest Amenities

Hand sanitizer will be available at locations throughout the venue. All restroom facility fixtures are touchless and air hand dryers disabled. Water fountains replaced by single bottle fillers in public lobby areas.

Signage

Clear signage in both front and back of house will reinforce COVID-19 policies enforced by staff. Front of house signage will be placed in public common areas such as lobbies, elevators, and at entryways.

Event Modifications

Staggered event times will be utilized if there are multiple events in the facility. Attendees are pre-registered and contact information is retained by event planners.

Food Service

Creative modifications to food service with more pre-packaged individual service items, removal of self-serve buffets and coffee stations, and touchless mobile payment options.

Employee Safety

Employee training and healthy workplace protocols will be implemented, including use of appropriate personal protective equipment and staff wellness checks.

Flexible Booking Guidelines

With the uncertainty of the phased reopening timelines. We have implemented flexible booking guidelines to reduce worries for events in 2021 and beyond.

While things may look a little different, the Greater Tacoma Convention Center's team of experts, breathtaking views, and commitment to safety remain unchanged. Stay healthy and rest assured that we will continue to adapt and be with you on a Greater Way Forward.
